In Judge Campbell's court yesterday the case of Amelia Groves vs. Sonofeldt & Shalenski, to recover damages for the sale of liquor to her husband, again consumed the entire day and is still in progress.

Lillie Kress was granted a divorce from bed and board from her husband, Joseph A. Kress.

Dividends Declared.

Two little notices in another part of this morning's paper indicate that some Wheeling concerns are in at least a reasonably prosperous condition. The German Insurance Company declared a cash dividend of 5 per cent, and the Franklin Insurance Company has declared one of 3 per cent. Considering the general condition of these times, this is cause for congratulation to the stockholders.

To Get Even With Her Husband.

Yesterday Mrs. George Livingstone went to her husband's place of business on Sixteenth street and broke two large plate glass windows. She was arrested by Mayor Caldwell who saw the excitement her conduct caused, but was later released on giving security for her fine. She explained that her husband had been behaving in a way she did not approve of, and she took this way of "getting even" with him.

L. O. O. F. Officers Chosen.

At the regular meeting last evening of Franklin lodge No. 3, L. O. O. F. officers were elected for the ensuing term as follows:

Ellis Ratter, N. G.; Samuel Witch, V. G.; P. Hamilton, secretary; L. A. Hoffman, treasurer; F. A. Taylor, II. S. and N. G.; William Bayha, L. S. and N. G.; John Howell, chaplain; A. Leander, warden; J. A. Dunning, conductor; G. G. McKown, R. S. and V. G.; H. Shorts, L. S. and V. G.

In the Police Court.

In the police court yesterday morning Ed. Johnson was fined \$1 and costs for disorderly conduct and \$5 and costs for resisting an officer. William Falkenstein paid \$5 and costs on a charge of disorderly conduct. Two vagrants were fined \$5 and costs each, but were let go on promising to leave town. P. Wensler, up for disorder, was fined the same amount, which he paid. In the absence of Clerk A. T. Sweeney, who is ill, City Receiver Kindelberger presided at the desk with much grace.

Pioneer Society's Election.

Last night the German Pioneer's Society held its annual election. The meeting was the twelfth annual one of the society, and aside from the business feature, all had a pleasant social time, as the members always do, when they come together. The retiring president, Mr. August Wiedebusch, was made honorary president, as is the society's custom, and the following officers were elected: President, Dr. C. F. Ulrich; vice president, Christian Steinmutter; secretary, Frank A. Woerber; treasurer, Simon Keim; marshal, Bernhard Bach; banner-bearer, Michael Ziegler; directors, L. Wilhelm, Fred C. Meyer, G. Bayha, Henry Ahrens, Karl Ahl, Julius Lohse and P. Wendel.

Directors Elected Yesterday.

The annual meeting of the stockholders of the German Bank was held yesterday, and the old board was re-elected, as follows: H. Schmulbach, Frederick Schenk, A. D. Seamon, C. W. Franzheim, J. L. Stroehlein, L. C. Stifel and L. J. Bayha.

The annual stockholder's meeting of the Exchange bank was also held yesterday, and the old board of directors was re-elected, as follows: J. N. Vance, J. M. Brown, John Frew, John Waterhouse, George E. Stifel, William Ellingham, A. W. Kelley, W. E. Stone, W. H. Frank.

The Bank of the Ohio Valley also held its annual meeting yesterday. The old board was again chosen. It is composed of Messrs. William A. Isett, J. A. Miller, E. M. Atkinson, Henry Speyer, Mortimer Pollock, William B. Simpson, John K. Bosford, Victor Rosenberg and H. Forber.

The annual meeting of the stockholders of the Wheeling & Belmont Bridge Company yesterday resulted in the re-election of the former directors, who are Messrs. J. N. Vance, A. J. Clarke, D. C. List, A. Wilson Kelly, John J. Jones, Louis C. Stifel, Mortimer Pollock, Joseph Lawson and George Wise.

A Great Battle

Is continually going on in the human system. The demon of impure blood strives to gain victory over the constitution, to ruin health, to drag victims to the grave. Hood's Sarsaparilla is the weapon with which to defend one's self, drive the desperate enemy from the field, and restore bodily health for many years.

Hood's PILLS cure nausea, sickness, indigestion and biliousness. 25c. 6

Ed. L. Jones, a deaf-mute, is selling in this city a compound that instantly removes all kinds of dirt stains, such as grease, pitch, paint and fruit stains from clothing and carpets. It is certainly a good article, and 10 cents a package makes it within reach of all and helps a worthy man out. He is an industrious young man and worthy of your patronage, and has an aged mother to support. He will call upon the citizens at their residences. He does not charge to remove stains. You have just to show them to him.

FERRY IN TROUBLE.

The Charleston Was Unable to Handle the City-side Float

IN THE ATTEMPT TO MOVE IT UP

To the Former City-side Landing. Above the Wharfbat—The Ice Created a Small Sized Panic on the Boat—A Landing Finally Effected on the Island Shore—The River Still Falling—Notes on Navigation.

The twenty-five or thirty people who were on the ferry boat Charleston and city-side float, last evening at 5 o'clock, had rather an exciting experience. During the high water the float had been at the foot of Twelfth street, where, since the resumption of navigation, it has been greatly in the way of steamboats. Yesterday afternoon Wharfmaster Crockett requested Mr. Giffen, of the ferry company, to have the float put back at the old location above the wharfbat. Mr. Giffen ordered this done about 5 o'clock. The ferry boat took the float in tow and attempted to move on up stream past the wharfbat. Very carelessly the apron of the float had been left down in the water and when the heavy ice began to come down on the float it piled up on the apron in an alarming manner. A number of the passengers were enjoying the novelty of a ride on the float, and it is hardly necessary to state that they were thrown into a small sized panic and without much deliberation sought pastures new—on the ferry boat.

The Charleston was unable to make headway up stream with the float, so the attempt to make her former landing place above the wharf boat was abandoned and the nearest shelter from the thumping ice was sought—over on the island shore below the naphtha launch landing, where the float was tied up. The Charleston then proceeded up to the island float and laid up. Even had this accident not taken place the ice was getting rather heavy for the easy running of the ferry.

A PLEASANT AFFAIR.

The Participants in the "Witch of Endor" Are Entertained.

Last evening at the pretty Wheeling Club rooms, in the Rogers block, on Main street, the sixty young ladies and gentlemen who so kindly lent their time and talent to the late successful production of the "Witch of Endor," under the auspices of the Ancient Order of United Workmen, were entertained by the order, represented in the persons of Grand Master Workman W. O. McCluskey and Grand Foreman F. H. Lange, of the West Virginia grand lodge. A programme of music was rendered under the direction of Prof. J. A. Raynes, followed by dancing and refreshments. Speeches were made by Messrs. McCluskey and Lange for the A. O. U. W., both of whom heartily thanked the amateur "Thespians." Mesdames George K. Wheat, Joseph Speidel and William Schwertfeger and Miss Norton were the choropones. The pleasant affair ended at an early hour this morning.

In Olden Times

people overlooked the importance of permanently beneficial effects and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well informed people will not buy any other laxative, which act for a time, but finally injure the system.

I want every man and woman in the United States interested in the Opium and Whisky habits to have one of my books on these diseases. Address B. M. Woolley, Atlanta, Ga., Box 380, and one will be sent you free. sawy
